## Summary

I was born in Athens on 1/12/1994 and I grew up in Kefalonia. From my high school years, I was passionate about web programming and Android applications. During my studies I learned and dealt with various programming languages (technologies and tools) such as C, JAVA, MySQL, PHP, HTML, Javascript and CSS. During my internship I was involved in creating an android application where I used the ViRaL image protocol and Google Maps.
